

Chaudhuri/Vacation Identity

Synopsis

Greg and Olivia Sayer are a typical young couple struggling financially, but nonetheless happy. One day, seemingly out of the blue, an opportunity arises that they just can't pass up. They soon embark on a dream vacation and can't believe how lucky they have become. However, the mood quickly changes as they encounter some nefarious people and very strange occurrences. When various things don't quite add up, they begin to investigate and soon find themselves in way too deep. Now, without anywhere to go and without anyone to help, the young couple must alone face an enemy even more terrifying than they could have ever imagined.
